

**NBJ London Markets** 

**Call one of our specialist Brokers now, we are here to help**

Choosing to work with a Lloyd's and London Market placing broker comes down to **relationships**, **quality of service** and **speed of response...**

## Introducing NBJ London Markets.

**NBJ has provided London Market broking solutions for over 50 years. A legacy which has been achieved through the careful development of strong insurer relationships, with a track record for efficiency and delivering results for our broker partners.**

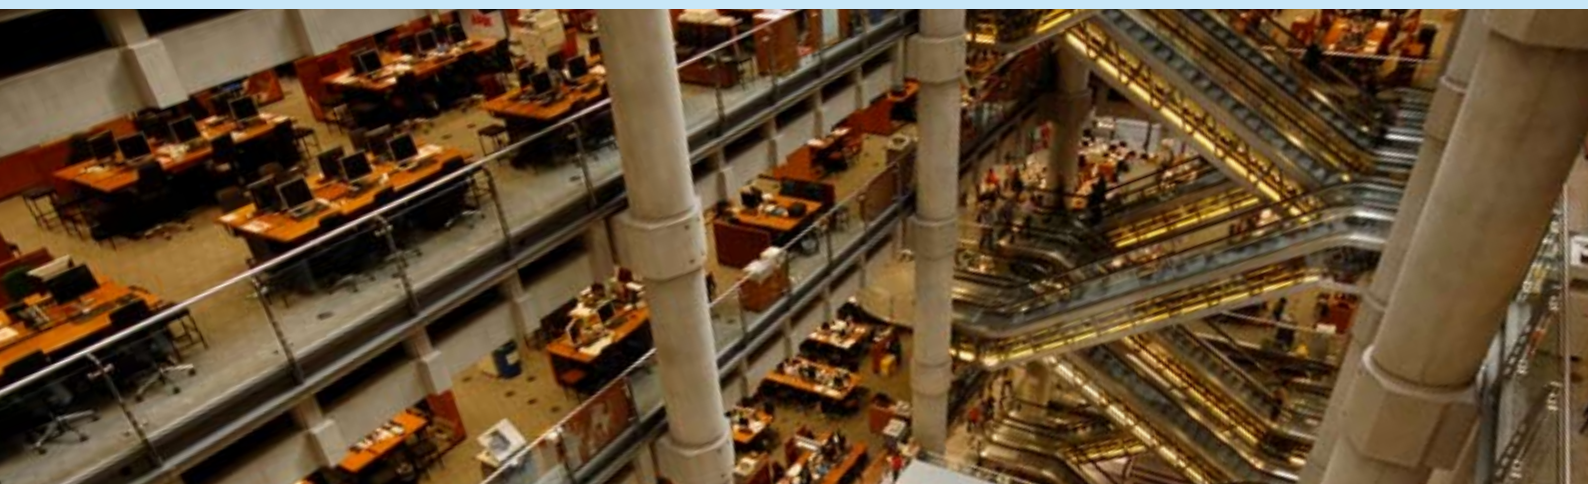

### **NBJ London Markets Team**

Lloyds and the London Market specialise in underwriting exposures that are more challenging to the composite market. To ensure access to these facilities NBJ have developed a team of experienced specialists who are highly respected in the London Market. A group

of professionals who have each developed specialist understanding of niche sectors and have cultivated niche relationships to match.

This powerful combination of knowledge and experience enables us to gain access to the widest range of covers and solutions in the market.

- Primary and Excess Liability
- Motor Fleet
- Contractor's Liability
- Contractors All Risks
- Property
- Credit Insurance
- High Net Worth Home

Above are just a few of our specialist areas, but whatever the business, in whichever industry, we can guarantee that you will receive the following sales and service features and benefits:

- Rapid response supported by quality service
- Delivery of meaningful results and solutions
- Efficient delivery of documentation
- Excellent Brokerage
- Personalised service from experienced market professionals

NBJ London Markets understand how important your client's business is to you and will deliver the results that demonstrate just how important your business is to us.

Broker at **LLOYD'S**

*You can rely on NBJ to arrange cover with highly experienced class underwriters. Underwriters who understand the insurance needs of your clients, have rapid decision making abilities and offer the best possible combination of price, coverage, security and service.*
