Premier Home: Protecting high value homes

You are in our Premier League!

To compliment NBJ's Prestige range of high net worth insurance products we would like to introduce you to Premier Home.

Premier Home is a selection of high value home insurance products that include enhanced benefits and cover not usually provided by standard home insurance policies.

Here are just some of the additional benefits available as standard on Premier Home:

- **Worldwide possessions cover** - For possessions and house contents wherever they are, including high value items.
- **Rapid and efficient claims management service**
- **Full cash reimbursement for the replacement of possessions** - Often you can choose whether to replace them or not.
- **Pre-approved Value Agreement** - The value of possessions can be pre-approved so that you know exactly what you will get in payout for each item.
- **Leaks** - Water and oil leaks and the resulting damage, including the cost of 'trace and access'.
- **Travel Insurance** is included and can be extended to cover all family members and domestic staff worldwide.
- **Emergency Accommodation** - In the event that your home is destroyed or rendered uninhabitable, Premier home can cover the cost of alternative accommodation. This can be extended to cover pets and horses.
- **Financial cover** - Protection against financial loss and credit card fraud.
- **Student insurance** - Cover for family members studying away from home.
- **Second Home Cover** - Protection for second homes and holiday homes. This can be extended to cover property outside the UK.
- **High Value Items** - Antiques, art, jewellery, treasured memorabilia and collections.
- **Guests Property** - When a guest stays in your home you can feel safe in the knowledge that Premier Home will also protect their belongings during their stay.
