Expert advice for personal insurances

Offering personal choices, keeping you safe

Anyone buying insurance wants to know that when the worst happens their insurer will be there for them, protecting their home, their car and themselves.

**As your insurance broker, we understand your concerns completely and our job is to find you the right cover for the right price to bring you peace of mind and total security.**

Whether it be your car, your home, your prized possessions, your travel plans or even your buy-to-let investment, insurance is designed to make sure that in the event of an insured incident you are safely returned to the same position you were in before your claim.

For NBJ, this is all about finding the right package of policies to match your individual and unique set of circumstances. It is this tailor-made service which sets us apart from the crowd and which gives you a guarantee for the future.

- *Personal service, tailored to you*
- *Competitively priced, comprehensive cover*
- *In-house claims service*
- *Wide product range*
- *Clear, concise and easy to understand information*

1. Discuss and establish your requirements whilst understanding any bespoke needs you may have

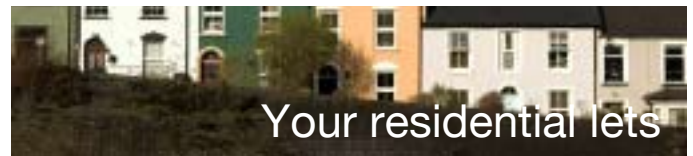

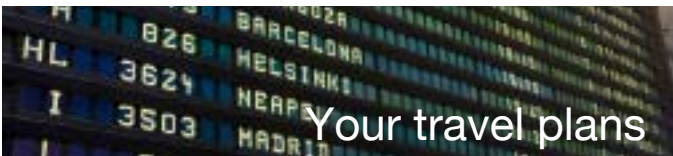

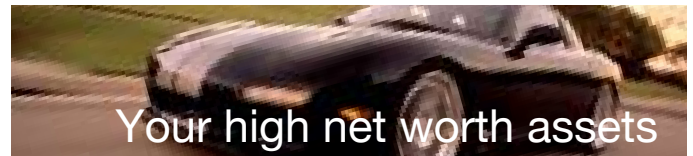

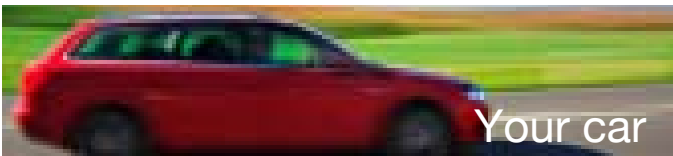

2. Professionally research and establish cover to meet your needs whilst negotiating a competitive premium

3. Answer all questions to your satisfaction ensuring that you understand your insurance protection

## We can protect:

We know this is a highly competitive market but we also believe our service is second to none. At NBJ, we pride ourselves on finding the right products at the right price.

Our experienced team work hard to understand your needs, gaining far better insight into your requirements than any website could while still providing a competitive quote. Whether you prefer to deal face-to-face, over the telephone or by email you can rest assured that we are working to provide you with the best combination of product, price and service.

In the event of a claim, NBJ believe that your insurance broker has a responsibility to support you. A member of our dedicated team will guide you through the whole claims process, ensuring not only that your claim is dealt with quickly, but that you are also fully recompensed with full and fair settlement.

4. Adapt both your cover and requirements to any change in your circumstances

5. Continually provide the service you deserve by proactively keeping you informed of matters that affect you

6. When claims do arise we are on your side to advise and assist when you need it most
